Cancer Clinical Trials	Patient costs that are directly associated with a cancer clinical trial in which the family member participates voluntarily.

## **Benefit Period**

Benefit Period means the 12-month period beginning on the effective date of your policy and reoccurring every 12 months thereafter.

## **Pre-existing Conditions Limitation**

The plan does not pay for any expense incurred due to a pre-existing condition during the two-year period starting on your effective date of coverage.

## Pre-existing condition means:

A medical condition not fully disclosed on the application, for which, prior to the effective date of coverage:

- The Family Member received medical advice or treatment from a physician within 60 months before the effective date of the Family Member's coverage under this policy; or
- Symptoms existed which would cause an ordinarily prudent person to seek diagnosis, care or treatment within 60 months before the effective date of the Family Member's coverage under this policy.

This includes any medical condition whether diagnosed or not, for which the Family Member received medical advice or treatment. Medical advice means medical treatment or consultation; medical care or services; diagnostic tests; or taking of a prescribed drug(s) or medicine(s).

# **Medicare Coordination and Insurance with Other Insurers**

Next Generation HSA contains certain provisions that may reduce benefits under the plan; a full description is contained in the policy.

#### **Underwriting**

The health history provided on the application determines the policy provisions and premium. Therefore, it is important that applicants answer all questions accurately and thoroughly.

If the agent assists in completing the application, the applicant should review the answers before signing. The applicant's signature attests to the completeness and accuracy of the answers.

Reviews conducted after the policy is issued may reveal health information that wasn't disclosed on the application. This may result in rescission of coverage, increased premiums, and/or exclusion riders or claims being denied under the policy's pre-existing exclusion.

## **General Exclusions and Limitations**

Some of the services that the Next Generation HSA Plan does NOT cover include:

Pre-existing conditions for the two-year period starting on the effective date of coverage; Charges in excess of the usual, customary, and reasonable charges for non-network services; Charges for services that are experimental, investigational, unproven or for research; Charges arising from war, commission of a felony, or participation in a riot or insurrection; Any sickness contracted or injury received while a member of the military; Charges for sickness or injury that are covered by workers' compensation insurance or similar laws; Travel expenses, except for professional ambulance service; Preventive medical care, except when provided by the preventive care benefit, or if listed under covered charges; Charges for dental services or supplies, unless the dental benefit rider is purchased; Cosmetic treatment, except as provided in the policy; Care covered under a government program; Eyeglasses; Contact lenses; Eye exams and surgery; Hearing aids; Contraceptives; Pregnancy, unless the maternity benefit rider is purchased; Sterilization; Abortion; Treatment for hair restoration; Treatment of acne; Treatment of a mental or nervous disorder or emotional conditions, even if court ordered; Treatment for substance abuse; Examination, diagnosis or treatment of malocclusion or misalignment of the jaw; Vitamins; Infertility; Gender reassignment; Growth treatment; Routine footcare; Sleep disorders; Charges for services which are not medically necessary; Treatment received in a hospital emergency room for a non-emergency sickness; Charges for which benefits are not provided in the policy.

A complete list of exclusions and limitations is included in the Next Generation HSA policy. See Policy Form ICDHP-HSA for complete terms and conditions.
